

CRYPTO BASED SUBSCRIPTION MANAGER

Problem

- Many subscriptions
- Free trial traps
- Must unsubscribe on individual sites
- Essentially at the company's mercy in terms of pricing
- cannot pay with crypto

Solution

Manage all
subscriptions

Set termination
dates

Decentralised payment
accounts

Pay using
crypto

JCUP

Automatic Crypto Subscription Manager

Subscription Cluster

As you add subscriptions on the 'Register Subscription' page, they will be added to the cluster.

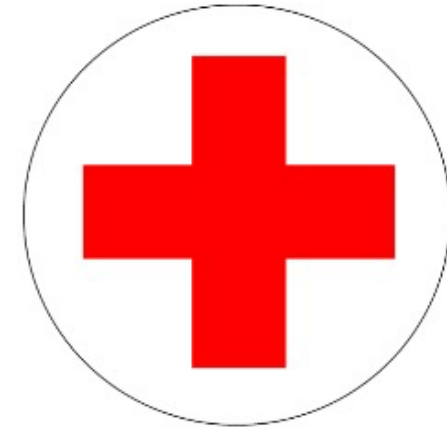

On the cluster, you can make payments for your subscriptions, delete subscriptions and view imminent payment deadlines.

Yellow nodes represent subscriptions which require payment by the next deadline,
green nodes represent subscriptions that are already paid and grey nodes represent dead subscriptions.

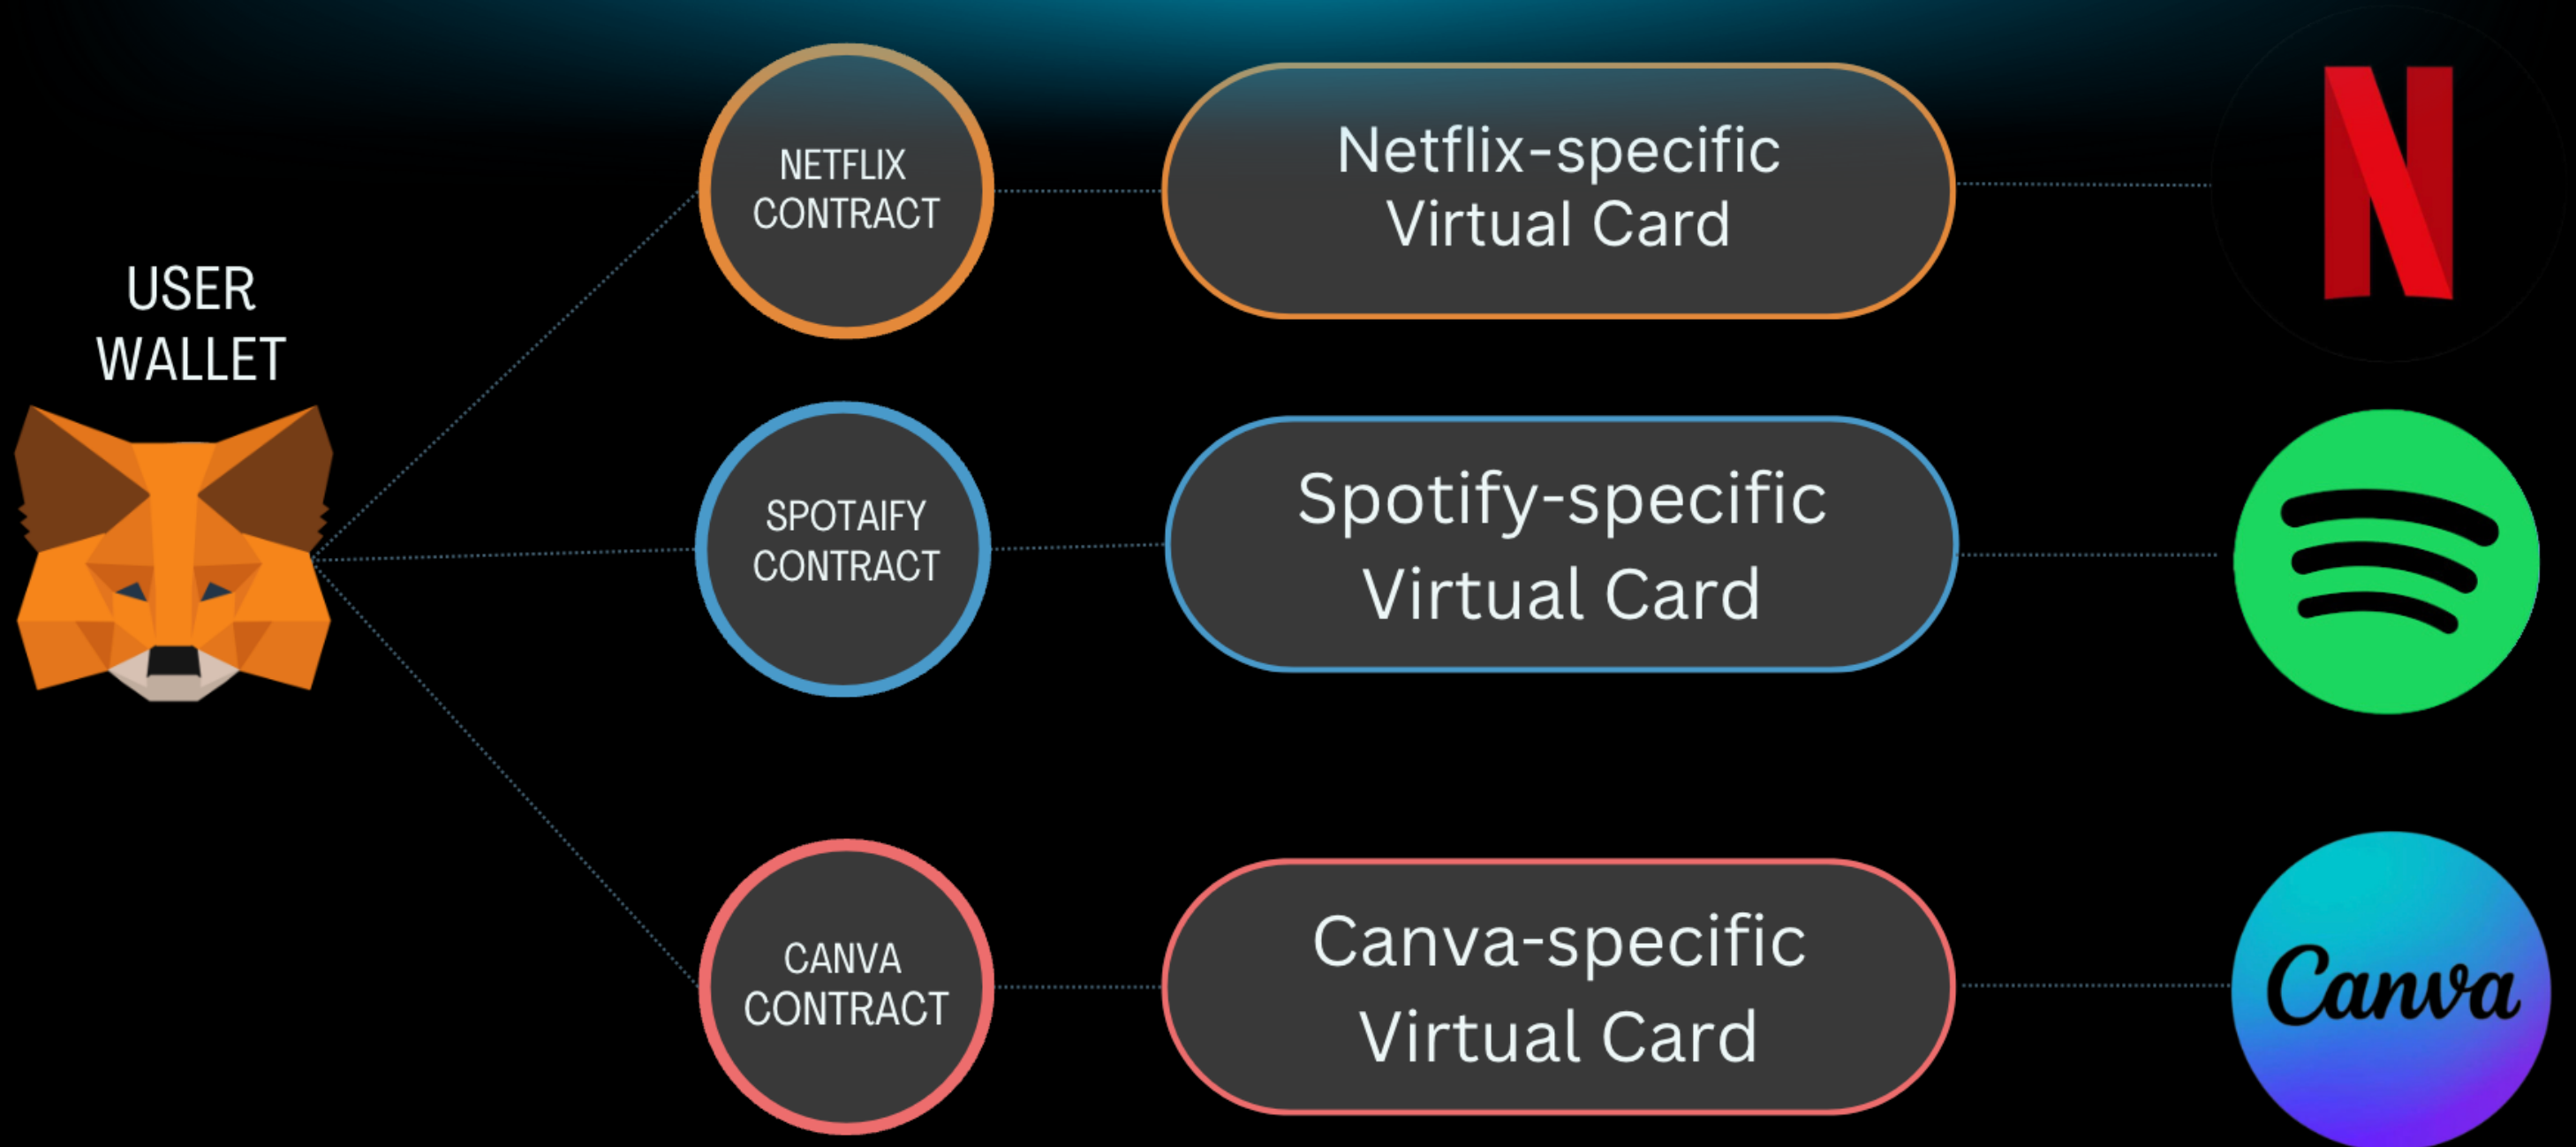

MARKETPLACE

Discover a world of possibilities and subscribe to a diverse range of subscriptions available on our platform, tailored to suit your interests and needs.
